modernization and upgradation of police and security forces with advanced sophisticated weapons and communication system etc.

Central Government has also been sensitising the State Governments about the threat perception and activities of ISI in the country. Periodic coordination meetings are also held with the State Governments for sharing the inputs from various quarters as well as for devising strategies to counter such activities. Various security agencies belonging to Union and States have been working together to check the situation.

The Uttar Pradesh Government has also set up a Special Task Force and Uttar Pradesh-Nepal border police to check activities of ISI supported and anti-national elements.
